**CIRCULAR NOTICE TO ALL MEMBERS OF THE GRAND OF GHANA  
FROM THE GRAND SECRETARY**

14th March 2020

Dear Sir and Brother,

Ghana has unfortunately recorded its first cases of infection by the Covet-19 (Corona) virus pandemic which has affected many countries around the world. All Brethren are strongly encouraged to adhere to the guidelines on this subject given by the public health authorities.

Having taken into consideration the situation, and having regard to the overriding interest of safeguarding the health and safety of all Brethren and their families, Most Worshipful Brother N/Capt Kwadjo Adunkwa Butah, the Grand Master, has directed that all Masonic meetings under the Grand Lodge of Ghana be suspended with immediate effect for a period of one (1) month.

This suspension of all Masonic activity applies to all meetings whether within or out of Masonic Temples and will remain in effect from **14th March 2020 through to 14th April 2020**.

Yours faithfully and fraternally,

**Brother Babacar A Barry  
Right Worshipful Grand Secretary**
