Date of Job posting:

May 12, 2020

Closing date for Applications:

May 26, 2020

Description

We are seeking disciplined and highly motivated individuals to guide Outdoor Adventure operations on the island of the Trident at Atimpoku in Ghana's Eastern Region. Work will entail:

1. Running safety and preparedness briefings and debriefs.
2. Assist-guiding in administering outdoor adventure operations safely to customers in highly customer-friendly ways.
3. Managing various participant demographic reporting methodologies and providing weekly trends on ease of participation and challenges in the relevant Outdoor Adventure programmes.
4. Exploring and expressing personal creativity as well as critical thinking skills for both the Trident and personal growth, and
5. Aiding in the development and operationalization of policies for Outdoor Adventure activities at the Trident and for BraveHearts Expeditions.

Preferred Qualifications:

- Passion and desire for living and working in the Ghanaian outdoors.
- Previous experience with experiential and

adventure-based activities.

- Knowledge of Outdoor Adventure programmes, policies, and operating structure.
- Ability to effectively facilitate a diversity of groups through team-building activities.
- Bachelor's degree from an accredited university.

Special Qualifications:

A high tolerance for uncertainty and adversity and a calm spirit in worst-case outdoor and elemental situations such as extreme hot and cold weather, unpredictable terrain, isolation from an adventure group during adventure operations, and the mental fortitude that does not panic in the face of reptiles, electric storms, hostile human communities, rough and windy riverine and lacustrine conditions, and uncooperative customers.

How to Apply

Please complete your [application here](#) and email your CV and a letter of recommendation from a previous employer or work supervisor to thetrident@braveheartsexpeditions.org

Special Notices

- Assessment and recruitment of the ideal candidates include medical and physical examinations, and 3 to 5 days of a gruelling cocktail of outdoor adventure activities to assess fitness for the available positions.
- While the advertised positions are for the Trident @ Atimpoku, BraveHearts Expeditions reserves the right to assign applicants to any of its adventure facilities across Ghana.

About BraveHearts Expeditions

We are sub-Saharan Africa's leading and most sustainable outdoor adventure company, the market leader in experiential learning, outdoor leadership and adventure sports, employing the safest, cutting-edge adventure technology to push individuals, corporate employees, youth-groups and family units beyond their limits of recreational, mental, leadership and team-working endurance.
