FOR IMMEDIATE RELEASE
19TH DECEMBER 2021

RECOMMENCEMENT OF PAYMENT TO CREDITORS

Following our letter dated the 2nd December, 2021 to the Ghana Police Service, seeking access to a designated office facility and with a request for security to recommence payments, with the intension of extending invitations to vetted entitled claimants to personally come receive payments and acknowledge receipts at the said designated venue.

However, in respect of the Ghana Police Service response in a letter dated 15th December, 2021 with reference; **CID/FFU.2/V.2/2021/315** to our letter amongst others advised that, the intended payment process should be done through an electronic medium, due to the following anticipated challenges our proposed payment model may pose to public peace and order;

That;

- a) ***“It would expose the beneficiaries and your employees to imminent criminal attacks since cash would be carried to and fro the designated venue”***
- b) ***“The designated venue would be over crowded due to the public interest nature of the case, and as a result create public order management issues”***
- c) ***“It would expose your employees, the beneficiaries, the police and the general public to the risk of spreading the Covid-19 virus as a result of the expected huge crowd at the designated venue”.***

With due regards to the above basis, respect for authority and as law abiding patriotic citizens, our company consequently shall proceed to achieve the same payments objective by resorting to direct bank deposits, as we happily commence our final payments phase spanning from the 20th December, 2021 to 30th, June 2022, starting off with the following vetted creditors outlined;
