PRESS STATEMENT BY HON. ALAN KYEREMATEN

On Saturday, 26th of August 2023, the Special Electoral College convened by the New Patriotic Party (NPP) selected my good self as one of the Presidential aspirants to contest the November 4th Presidential primaries. Congratulations to all my colleagues who participated in the selection process.

I wish to use this opportunity to thank the Almighty God for His grace and mercy in guiding my path this far. I would also like to express my profound appreciation to the Delegates of the Special Electoral College who voted for me in this initial selection process.

My appreciation also goes to my family and the Alan for President (A4P) 2024 campaign team, including members of the Pro-Alan Groups for their dedication and commitment to my campaign agenda.

I would however like to express my deep sorrow about the brutal assault on my Polling Agent in the North East region. This is an indelible blot to the integrity of the internal democratic process within the NPP. I wish my colleague speedy recovery and God's manifold blessings, and would like to assure him and his family of my unwavering support for his wellbeing.

The A4P Campaign Coordination team is currently analysing the results of the Special Electoral College Election, and in the course of this week I will deliver a public broadcast on the way forward for my campaign.

I wish to reassure my teeming supporters, particularly those at the grassroots level that the battle is still the Lord's, and that those who wait upon the Lord shall have their strength renewed.

God bless our homeland Ghana and make our nation great and strong!

.....Signed.....

Hon. Alan Kyerematen
