

MEMORANDUM

FROM : CHIEF EXECUTIVE OFFICER
TO : ALL STAFF
SUBJECT : INTERDICTION FOR FRAUD, ALTERING DOCUMENT I
IMPERSONATION, AND FORGERY OF OFFICIAL
DOCUMENT PENDING OUTCOME OF INVESTIGATION
REF. NO. : GC 52/348/01
DATE : 11th MARCH 2025.

I have found that Mr Daniel Godsway and Mr George Amoako have unlawfully reproduced an official document bearing the signature of the Chief Executive Officer and willfully altered its contents to direct proponents to Room B13 instead of the designated reception area. This act constitutes an egregious misrepresentation of official authority, amounting to forgery, abuse of office, and a fundamental breach of fiduciary duty.

Moreover, their actions may be in contravention of the Criminal Code, 1960 (Act 29) of Ghana, particularly under sections related to forgery, fraudulent misrepresentation, and the unauthorized use of official documentation.

The Environmental Protection Authority upholds strict protocols to safeguard the integrity and authenticity of its official correspondence. Any unauthorized alteration or manipulation of official documents is deemed a severe violation of institutional policies and legal statutes and will not be tolerated under any circumstances.

The Environmental Protection Authority remains committed to upholding the highest ethical and legal standards in its operations.
